

TERMS & CONDITIONS

Service Terms, Website Use, and Customer Agreements

These Terms & Conditions govern the use of the Pressure-Pro website, services, quote tools, and communications with our business.

By accessing our website or requesting services, you agree to the following terms. This document contains 18 sections covering all aspects of our service agreement and website usage.

Last Updated: March 2026

Section 1: Agreement to Terms

By accessing, browsing, or using this website, or by submitting any form, quote request, or inquiry, you acknowledge that you have read, understood, and agree to be bound by these Terms & Conditions. These terms apply to all visitors, users, and customers of Pressure-Pro Washing Services.

If you do not agree with any part of these terms, you should not use this website or engage with our services.

By engaging in any of the following, you agree to these terms:

- Accessing the website
- Submitting a quote request
- Scheduling services
- Communicating with the company

Section 2: Description of Services

Pressure-Pro Washing Services provides professional exterior cleaning services, including but not limited to pressure washing, soft washing, paver sealing, and surface restoration for residential and commercial properties.

Services provided include:

- Pressure washing
- Soft washing
- Paver cleaning and sealing
- Driveway and sidewalk cleaning
- Roof cleaning
- Commercial exterior cleaning
- Surface restoration

All services are performed based on site-specific conditions, and we reserve the right to modify or decline services at our discretion if conditions are unsafe, unsuitable, or outside the scope of our expertise.

Section 3: Estimates, Pricing & Quote Tool Disclaimer

Any pricing provided through our website, including the online quote tool, is intended for informational and estimation purposes only. Quotes submitted through the website are estimates based on provided information. Final pricing may vary after an in-person inspection or evaluation of the property.

Pricing may vary due to:

- Estimates are based solely on the information you provide
- Inaccurate square footage may affect pricing
- Surface condition (heavily stained, previously sealed, damaged) impacts cost
- Accessibility or logistical challenges may require adjustments
- Additional labor, materials, or prep work may be required
- Minimum service charges may apply regardless of calculated estimate
- Stripping old sealer may significantly impact final pricing

Submission of a quote request does not constitute a contract or guarantee of service. A final price will be confirmed after inspection, and no work will begin without customer approval.

Section 4: Scheduling, Deposits & Payments

All services must be scheduled and confirmed directly with our team. Payment is due upon completion of services unless otherwise agreed. Pressure-Pro may require deposits for certain projects.

We reserve the right to:

- Require deposits prior to booking certain services
- Adjust scheduling due to weather, equipment issues, or unforeseen circumstances
- Reschedule services when necessary to ensure proper results and safety

Late cancellations, rescheduling without notice, or failure to provide access to the property may result in cancellation or trip fees. Late payments may incur additional fees.

Section 5: Customer Responsibilities & Site Preparation

To ensure efficient and safe service, customers are responsible for properly preparing the property before our team arrives. Failure to meet these responsibilities may result in delays, additional charges, or incomplete service.

Customer responsibilities include:

- Provide accurate and complete information when requesting services
- Ensure clear and safe access to all service areas
- Remove or secure personal property, vehicles, furniture, or obstacles
- Ensure water access is available if required
- Secure pets and animals during service
- Close windows and doors before service begins
- Notify us of any pre-existing damage, delicate surfaces, or areas requiring special attention

We are not responsible for damages resulting from undisclosed pre-existing conditions or improper installations.

Section 6: Service Results & Limitations

While we use professional equipment and proven techniques to achieve the best possible results, the customer understands and agrees that exterior cleaning services are affected by many factors beyond company control.

- Not all stains, discoloration, mold, mildew, or buildup can be fully removed
- Results may vary depending on the age, condition, and material of surfaces
- Some surfaces may experience minor changes in appearance due to cleaning
- Previously sealed or damaged surfaces may require additional services
- Weather, surface age, previous treatments, and environmental factors affect outcomes

We do not guarantee perfection, but we do guarantee professional effort and industry-standard practices.

Section 7: Paver Sealing & Specialty Services

For services such as paver sealing, pricing is typically based on square footage and surface condition. Additional charges may apply for stripping old or failing sealers. Drying and curing times are required and must be respected.

- Environmental factors (weather, moisture, temperature) may affect results and timelines
- Sealing is a protective and aesthetic enhancement, not a permanent solution
- Maintenance may be required over time to maintain appearance and protection

Customers acknowledge that proper maintenance extends the life of sealed surfaces.

Section 8: Property Damage & Liability

Pressure-Pro takes reasonable precautions to protect property during service. However, the company is not responsible for damage caused by pre-existing conditions or structural issues.

We are not liable for damage caused by:

- Pre-existing structural issues
- Improperly installed surfaces
- Aged or deteriorated materials
- Loose siding or roofing components
- Weak window seals
- Failing paint or coatings

Customers must inform the company of known vulnerabilities before service begins.

Section 9: Warranty Terms

Certain services may include limited warranty coverage. Warranty coverage applies only under the conditions described in our official Warranty document.
